Report of Principal and School Improvement Council

Our primary goal at James B. Edwards Elementary, the school of Global Leadership (JBE), is to provide all students with a comprehensive variety of academic and leadership opportunities in a safe and nurturing learning environment.

Our success is directly related to the wide array of educational experiences that we offer our children. JBE puts a great emphasis on having parents, teachers, and the community working together to provide meaningful educational experiences and opportunities for all of our students. A few great examples are our Leadership Day, Family Reading Night, Family Math Night and Science Fair.

In addition to great academic rigor in the core subject areas, our students are afforded many wonderful experiences in the arts. The arts are integrated frequently into every classroom at JBE. We even have a special day toward the end of the year in which we celebrate the arts. At May Day, our classes learn performances that they share with the community.

JBE is proud to be a Stephen Covey Leader in Me school. We realize the importance of developing the whole child. Through the teaching of the 7 Habits of Highly Effective People, we provide students with opportunities to learn about social well being, responsibility, and acting in a moral and ethical manner. JBE was selected by the Covey Foundation to be a host site for the 2014 South Carolina Leadership Symposium. They chose JBE for this event because of our commitment to teaching the 7 habits and providing our students with a wide variety of leadership opportunities.

Our great success is due to many different groups. The JBE PTO and our JBE Tom Lee Endowment are both actively involved in conducting fundraisers, social events, and other programs that help support our students and teachers. We are all proud to be JBE Leaders.

ESEA/Federal Accountability Rating System

In July 2013, the South Carolina Department of Education was granted a waiver from several accountability requirements of the Federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/esea/> or request this information from your child's district or school.

Overall Weighted Points Total	91.1
Overall Grade Conversion	A

Index Score	Grade	Description
90-100	A	Performance substantially exceeds the state's expectations.
80-89.9	B	Performance exceeds the state's expectations.
70-79.9	C	Performance meets the state's expectations.
60-69.9	D	Performance does not meet the state's expectations.
Less than 60	F	Performance is substantially below the states' expectations.

Accountability Indicator (Title I Schools)

James B. Edwards Elementary School has been designated as a:

	Title I Reward School for Performance - among the highest performing Title I schools in a given year.
	Title I Reward School for Progress - one of the schools with substantial progress in school subgroups.
	Title I Focus School - one of the schools with the highest average performance gap between subgroups.
	Title I Priority School - one of the 5% lowest performing Title I schools.
	Title I School - does not qualify as Reward, Focus or Priority School.
X	Non-Title I School - therefore the designations above are not applicable.
